## Song List

---

**IMPORTANT:** You can expect between 40 and 45 songs at a typical 4-hour event (depending upon the number of speeches, toasts, etc.). Those 40 to 45 songs (and how well they are performed) will be a major determining factor in the success of your event. **MIXED COMPANY** bands have become quite proficient at selecting just the right mix for any event. The bands work from a specially formulated "playlist" that has been evolving since 1989, the year the original **MIXED COMPANY** started adding their unique touch to Atlanta events. It is not a requirement for you to pick any additional songs since the **MIXED COMPANY** band members use the **formula playlist** as a starting point and make adjustments throughout the event (analyzing the response of your guests) to determine the best musical direction to maintain the proper flow for the event. However, if there are specific songs on the list that you want the band to be sure and play, just let your **Arsis Productions** representative know in advance.

**MIXED COMPANY** band members spend literally hours per song, both personally and collectively, tweaking and perfecting to get as close to the original popular recording as possible. **Why?** Because **quality does matter!** If you and your guests don't quickly recognize a song, the dancing stops. If the songs are re-arranged to suit the band's preferences, after an hour or two, everything sounds the same and boredom begins. You can be assured that your guests will recognize every song almost instantly, leaving no doubt which dance step is required. This is the key to keeping your party at maximum "**fun-factor**" level for the duration. Our ultimate goal is to keep the dance floor as full as possible for the duration of the event.

---

**NOTICE:** Not all of the songs in the list are appropriate for all events and the band adjusts accordingly. For example, **don't** expect to hear "HOUND DOG" at a wedding reception (except by request), but **do** expect to hear "TAKING CARE OF BUSINESS" at a corporate event. Other songs in the list are done instrumentally as part of the dinner music set, when required, or as part of the CD music during breaks.

Dear Doug -

Thank you so much for your assistance in booking Mixed Company 2000 for our Holiday Party. We have received really good feedback on their performance from the audience and they were very easy to work with. Please pass on our gratitude for a great performance!

Thank you, Tracy Grant

Dear Mixed Company 2000,

I just wanted to thank you for helping to make our special day absolutely perfect! We really could not have asked for a better band. The dance floor was constantly packed with people dancing the entire night and after the wedding we had so many people ask us where we found such a wonderful band.

Thanks again, we really enjoyed working with such a professional and pleasant group of people.

Sincerely,

Dear Doug,

I would like to say a big thank you for everything Mixed Company III did to make my wedding such a huge success! I've already had people asking for your name and number....

We all thought Mixed Company III is a great band. They sound really good, they play the best songs, and they are very professional!

I hope to have the opportunity to hear them play again.

Thank you so much,
