Song List

IMPORTANT: You can expect between 40 and 45 songs at a typical 4-hour event (depending upon the number of speeches, toasts, etc.). Those 40 to 45 songs (and how well they are performed) will be a major determining factor in the success of your event. **MIXED COMPANY** bands have become quite proficient at selecting just the *right mix for any event*. The bands work from a specially formulated "playlist" that has been evolving since 1989, the year **MIXED COMPANY** started adding their unique touch to Atlanta events. It is *not a requirement for you to pick any additional songs* since the **MIXED COMPANY** band members use the **formula playlist** as a starting point and make adjustments throughout the event (analyzing the response of your guests) to determine the best musical direction to maintain the proper flow for the event. However, if there are specific songs on the list that you want the band to be sure and play, just let your **Arsis Productions** representative know in advance.

MIXED COMPANY band members spend literally hours per song, both personally and collectively, tweaking and perfecting to get *as close to the original popular recording as possible*. **Why?** Because **quality does matter!** If you and your guests don't quickly recognize a song, the dancing stops. If the songs are re-arranged to suit the band's preferences, after an hour or two, everything sounds the same and boredom begins. You can be assured that your guests will *recognize every song almost instantly*, leaving no doubt which dance step is required. This is the key to keeping your party at maximum "**fun-factor**" level for the duration. Our ultimate goal is to keep the dance floor as full as possible for the duration of the event.

NOTICE: Not all of the songs in the list are appropriate for all events and the band adjusts accordingly. For example, **don't** expect to hear "HOUND DOG" at a wedding reception (except by request), but **do** expect to hear "TAKING CARE OF BUSINESS" at a corporate event. Other songs in the list are done instrumentally as part of the dinner music set, when required, or as part of the CD music during breaks.

Dear Doug,

Just a brief note to let you know how much we appreciate the wonderful music and entertainment that "Mixed Company" provided at our recognition banquet last month. I have received numerous favorable comments from those who attended. Many remarked on how great the band was and how good Elvis looked and sounded.

Everyone enjoyed your selections and left at the end of the evening with a smile on their face. Positive proof that the show was a success! Your flexibility and willingness to play whatever we wanted made it a very fun and memorable evening.

Thanks again for a very professional and enjoyable performance.

Dear Doug and Members of Mixed Company,

Thank you so much for helping to make our daughter's wedding reception at Thornblade Club in Greer, SC so wonderful. You were so professional in every way and took charge of making the entire wedding reception run so smoothly. Your band is truly excellent in performing the song selections. From the moment guests began to arrive at the reception you entertained them wonderfully and then as the bride and groom arrived you guided them through all the details of the reception beautifully.

I especially appreciated how you personalized Annie and Drew's first dance with giving the history on how they met. You created a very romantic atmosphere for this special dance.

We have received a multitude of notes about how great the reception and band were and people were amazed at how many guests stayed until the end. No one was ready to leave.

I would recommend your band for anyone that wants a professional band, able to take charge of the reception, and involve the guests for an evening of fun and wonderful music. We all had a fabulous night. Thanks.

Also I must tell you that we heard you did "Summertime" and received a standing ovation before we arrived. Thanks for being such great performers and entertainers. You were AWESOME!

With appreciation,

Rob and Annette
